REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior arts of record do not show the limitations of a method for numerically analyzing a growth degree of grains on a surface of a semiconductor wafer which use the concept of combining the generation of standardized image data values of pixels with a predetermined threshold value, counting number of pixels of which a standardized image data value is greater than the threshold value and specifically with the "numerating the growth degree of grains on the surface of the numerical target zone by calculating a ratio of the number of the counted pixels with respect to a number of total pixels disposed within the numerical target zone."

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
